PRESIDENT'S MESSAGE – Tim Cullen

Another year of W-F Athletics is upon us and we are adjusting to a new normal of limited fan participation at sporting events. Good thing we have an awesome Athletic Director that spear headed a project to bring streaming service for many of our contests so fans can cheer on the team in a virtual manner. The Booster Club is proud to have donated \$2500 to the cause.

With the decision of the school board to give our school district a new nickname and mascot is the opportunity to forge a new image in our community's history. Please check out the school's website or Facebook page to make suggestions by November 30.

One of the Booster Clubs missions is to support the development of youth through athletics. Covid 19 has made this more difficult but far from impossible. We will continue to do our best to ensure that current student athletes do not suffer in developing into well rounded persons through coaching and competition.

I would like to thank the rest of the W-F Booster Club Officers for their hard work helping to make your booster club run smoothly Vice President Jen Titus, Secretary Julia Wohlt, and Treasurer Dan Knecht.

Weyauwega-Fremont Pride,
Tim Cullen
