

# Weyauwega-Fremont School Supply List 2020-2021

Please label all materials with your child's name before the first day of school.

**Attention Families. Please make note of two changes that impact all school supply lists.**

**1. Disinfectant wipes are difficult to find and are optional for all grades. The school will provide disinfectant spray and hand sanitizer for all classrooms and learning spaces.**

**2. Students are encouraged to bring their own mask from home. The school will have masks students can use each day. These masks will be collected and washed and reused. Students may feel more comfortable bringing their own.**

**It is recommended for elementary students that trapper keepers not be purchased for student use at school.**
