Attention 9th, 10th, and 11th grade students--

Just a reminder to make sure you are entering your course requests and alternates into skyward. Use your course selection sheets as a guide to help you pick appropriate classes. When you have them entered, return your filled out course selection sheet to the HS office. If any of you want help with class selections, or have any other questions about scheduling, schedule an appointment with Mrs. Miller today or tomorrow, or you may go the HS computer lab during ELT and see Mrs. Miller. These requests are due by Monday, January 23rd.

Attention Seniors--Remember to be grabbing a scholarship packet in the hallway by the office. There have been numerous scholarships added in the past week. Students have a good chance at these scholarships, and are strongly recommended to apply for any you are eligible for.

Softball has concessions Friday this week. Please let Taylor Fleese or Genna Knorr know when you will be able to help.

Just a reminder: There is NO SCHOOL tomorrow!

Have a great day!!!
